**IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES
MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"**

**ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO
COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING
THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK**

Despite the half closed roll-a-door, 16 of us managed to gather round the trailer in Elf's back yard, ready to see what he would have in store for us. With bold promises of no hills and scenic terrain, he managed to recruit 7 runners (including himself) to take the "all inclusive" tour of Gulfview Heights and Para Hills. Leaving "The Controller of Large Proportions" to entertain the walkers, we were soon on our way heading up Quarry Road, doing battle with what anyone but Elf would have described as a f*ucking steep hill.

Thankfully, Elf had not forgotten the checks and while the rest of us did battle with the hill, Bigus and Sp*oof proceeded to do battle with the false trails. With Elf quietly hinting where the trail may lead, the back runners including Bus Stop, Moped, Chesty and Nifty were instantly promoted to the front of the pack.

Another climb saw the pack at the top of Kara Crescent before Sp*oof managed to find trail off in the direction of Para Hills. Closely following the parkland trails, the pack headed across Nelson Road into the lowlands of Para Hills. Here the pack was advised by the hare that there was a great big f*ucking Doberman in one of the houses that was looking forward to noshing on one of our group.

With everyone sprinting like Usain Bolt, the pack was well and gone before the Doberman got a look in. Having survived with limbs intact, the pack made a more leisurely pace back to Quarry Road, arriving back at the trailer in about one hour.

With such a small group, there was little doubt that after a short circle we would soon be enjoying the Nosh of the evening. As "The one who is biologically suited to Limbo dancing" and "The Controller of Large Proportions" proceeded to cook the Nosh, they had no way of knowing that it would be a bl*oody long time before we got to taste the results of their efforts. Even Nostradamus could not have foreseen Stinky charging himself, or charges from as far afield as Thomas the F*ucking Tank Engine (Elf! For f*uck sake subscribe to Foxtel, or, better still, GET A F*UCKING HASH LIFE!).

Virgins

George and Margie get married and they are both virgins.

On there first night George starts to get undressed by taking off his shoes and socks. His toes are curled under. Margie asked him, " George what happened to your toes"? George said, " when I was a kid I had tolio" Margie says, "you mean polio" and he said "no tolio" Margie said, "I never heard of that"

He takes of his pants and he has a rash on both knees. Again she asks "what happened to your knees? "When I was a kid I had kneasles and the rash never left. " You mean measles" No kneasles.... Never heard of that either.

As he takes off his shorts Margie said, "don't tell me, you had small cox"
