HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

1760 14th Dec AH3 Xmas P*iss up Directors Hotel

With a central location, plenty of drinks and the promise of family entertainment, it was hardly surprising that one of the biggest packs of the year (including many back from the dead) gathered at the Directors for the annual AH3 Christmas Run.

When mustering time came, however, only about a dozen fronted up downstairs for a dash around the city. A couple of checks within a short distance from the hotel suggested that the hare was not going to go easy on us just because it was Christmas.

With trail heading out to a check at West Terrace, Sp*oof enthusiastically checked alongside the cemetery, convinced that the hare may have been using a chunk of the City to Bay trail. Had he looked over the cemetery wall, he would have noticed the place was pretty well empty, with most of the regular inhabitants having a night out on the first floor of the Directors.

Those who kept a close eye on Muck, however, were soon following trail in the direction of South Terrace before turning in for a few more loops through the side streets.

Back on South Terrace, Elf attracted the attention of a Bikini Massage peddler. Despite her best sales pitch, Elf kept her at bay with effective use of the hash horn, but took a brochure anyway, just in case he changed his mind later!

After hitting Whitmore Square the pack was getting warmed up and looked like getting an opportunity to work up a real thirst. Surprisingly, however, the trail threaded us back through the side-lanes to Gouger Street, seeing us back at the Directors in about 20 minutes.

Despite the short run, it appears that the hare achieved the main objective of making sure that the whole pack worked up a thirst. Now there was little else to do but quench the thirst and enjoy the festivities
