HARE NEEDED FOR 28th DECEMBER CONTACT MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

With witches, warlocks, vampires and back from the dead in abundance, the neighbours could only speculate as to whether these eerie creatures had come to feast on the blood of Leak On You, or whether they had come to drink p*iss from the AH3 trailer and consume the chicken and chips for which the hare is renowned.

With the run starting at 7.00pm sharp, it soon became clear that witches and vampires would not be seen dead running around Glenelg, and the running pack was once again below a dozen.

The run started around the nearby streets before taking us to the old Olive Tree. With plenty of checks and lots of false trails the pack was kept together pretty well. From the famous tree, we were soon on our way across the Anzac highway and down Brighton Road before heading down to the Glenelg foreshore.

Having run in the area before, some of the front running b*astards seemed to have a pretty good idea of where we were heading, and quickly found trail across the weir. Down along the beachfront, a halt check allowed the pack to regroup and provided a great opportunity for us to view the sunset. Unfortunately (due to the front running a*rseholes), we had arrived about 4 minutes early, and we departed just as the sun started to dip into the water, with most of the group more interested in seeing beers disappearing at the trailer, rather than seeing the sun go down.

After a meandering trail past the marina, we were soon on the home trail and arrived back at the trailer with a little daylight to spare. Amongst the weird crowd there was general agreement that the hare had managed to show us just about all of the highlights of Glenelg. Having worked up a thirst, there was little left to do but welcome the back from the dead, enjoy the beers, and look forward to the chicken and chips.

won (She seemed to be making a b*reast of things)

I think this is all that happened for some reason Roocha was standing beside me and belting the s*hit out of me making it somewhat hard to take notes

Soak then took it upon herself to dob me in for stealing Roocha's pen causing the barrage to start again

It's cumming up to that time again, yep time for the hike up North to Gawler for the annual Christmas Run which if you know if you have been on it before, that it's a night NOT to be missed.

Can you please email Muck and Anyfink on samndeacs@adam.com.au or ring Muck on his mobile 0407300659 if you want to be on the bus up to and back home from Gawler. Also, can you please let us know your approximate pick-up point. We may have to change pick-up points & cut down on some stops but we'll do our best to pick up from as close as we can to where you need to be picked up from.

Looking forward to another fun night at the Munno Para Christmas Run
