ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

With more athletes on the injury list than the Hawthorn football Club, we could only muster five runners to see what Cir Liccolot would have in store for us. After a couple of hundred metres we encountered two giant “arras” – clearly indicating a check.

With such giant “arras” we were confident that we would soon find the next part of the trail. Unfortunately, this turned out to be harder than expected, and with vision still impaired from the City to Bay we were unable to find the forward trail.

Not to be outdone, we headed in the direction of the North East Road. We soon encountered the home trail and most were happy to follow the giant “arras” back to the trailer. Not satisfied with half a run, Muck proceeded to complete the run backwards, breaking the checks in reverse, as he headed out to the North East Road and past the Windsor Hotel and the predicted barking dogs, eventually back to the trailer.

Muck reported a long hard run that was well marked, apart from the stretch at the beginning. The rest of the pack were happy with the shortened run and were content to make up for the shorter run by eating more of the gourmet nosh. Thankfully daylight saving is almost upon us, and we can look forward to following the trail without the aid of our \$1.74 torches.
