HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

With a public holiday, anniversary occasion (exactly 32 years to the day, AH3 first run) and the second longest Monday of the year, the hares were feeling particularly adventurous. They could only hope that the pack was feeling equally adventurous after all the ongoing parties over the Christmas period.

In the pre-run briefing, the runners were confronted with the promise of a challenging run and three p*iss stops, while the walkers were offered the option of a more leisurely stroll through the Cobblers Creek area with the promise of two p*iss stops.

With trail heading north towards Greenwith, it soon turned left towards the Golden Way before threading under the tunnel towards the other side of the reserve. After a check high on the hill, the trail headed towards the old homestead building where the first p*iss stop was encountered. Here the runners and walkers had a chance to top-up the fluids before continuing.

The running trail continued along the high trail behind the homestead and a couple of checks in this area soon managed to reduce the running pack down to 3 runners, as Nifty managed to lose himself in the direction of Greenwith, while Flash and Whiskas lost themselves in the direction of home.

Muck, Lucky Ewe and Sp*oof were left to do battle with a couple of difficult checks along the Cobblers Creek before embarking on the mother of all climbs up to the Golden Grove Village area. After a couple more checks, the trail eventually crossed the Grove Way, taking the tired runners into the front bar of the Village Tavern for the much deserved second p*iss stop.

After a quick drink the runners were soon on their way along the Golden Way, towards the thirds p*iss stop at Bus Stop's place on Spring Hill Drive. From here it was a short jog back to the run site, much to the relief of the tired runners.

After the long run, the circle was quickly convened, but with plenty of charges from the circle, and an important anniversary to celebrate, there was no way we would be into the Nosh early on this occasion.

After 32 years on the trail it is great to see that the AH3 still takes pride in long hard runs, long hard p*iss stops, long hard circles and decent Nosh. Our founders would be proud! If only we could entice a few more b*astards to complete the runs! Walkers, start making your New Year resolutions now! The AH3 needs you!
