ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

As guests of MPH3, all we needed to do was get to Gawler and enjoy the festivities. With Muck organising the bus schedules better than the Adelaide metro, there was plenty of opportunity to warm up with a few beers on the way to the run.

With everyone signed on, we were soon on our way to the first check loaded up with plenty of cash and song sheets for the carols. With plenty of p*iss stops on the route it was important to develop an appropriate running and drinking strategy for the run. The macho a*rseholes would run to every check and have a pint of ale when they got there, the athletic a*rseholes would run to every check and have a schooner of pale when they got there, while the seasoned hashers (sensible a*rseholes) would casually proceed from pub to pub and have a beer whenever they felt like it.

Suffice to say that all of these strategies resulted in you arriving back to the Exchange Hotel pretty well lubricated. After a short circle, we greatly appreciated a b*loody good Nosh Barbecue before consuming more and more beers.

Around 11:30pm Muck donned his Adelaide Metro cap once again and organised the AH3 to be poured back onto the respective buses. In between some spirited singing and occasional brown eyes, the participants were selectively offloaded from the bus, much to the relief the driver. Now the poor b*ugger can appreciate first hand how difficult it can be to organise "Santa's Little Helpers"!

Many thanks to MPH3 for a most enjoyable evening.

BUS TRIPS

Sleigh 1

Had a long ride home and all were delivered safely to their doors.

First there was flashing and mooning from amongst the troops between Gawler and Smithfield. Then Full Stop took us the scenic "root" to his doorstep, showing us the battle of Smithfield!!!!

Then there was a few wanting to make Jelly Wrestler "feel" safe, as there was a few that were cuddling/hugging her!! She was so over cummed by AH3.

Santa's little helper was not comfortable about walking around his neighbourhood in his red tights and needed the "sleigh" to stop at his front door.

TFC was so excited to get off the sleigh, he left his little black money sack behind.... Genitalia to the rescue!!

Don't worry TFC... AH3 thanking you Monday night for the use of the credit card for the strippers!!!....There's a special dance saved for you!!! Chesty/Kaboobie wants to borrow the 50% off members discount card to the Crazy Horse!!

Kaboobie's sacks were almost empty of little jelly babies by the end of the ride home!! Not sure how many babies will result by him emptying his little sacks and takes no responsibility for the population explosion in Gawler in nine months time.

Princess Layher and Chewher were sorting out what to nibble on when they got home!!!! A phone order was talked about!!!!

In the wee hours of the morning....Chesty finally made it home!!

Sleigh 2

On the way on the Northern bus..... usual pick ups and slap me ar8se and squeeze my t8its, everyone on time, even DH – who is known for his late factor! Would assume this is living with Tight Lips that has bought about this refreshing change! Rounding the corner on Milne Road we were greeted by a flabby, fat, furry butt....yep we were picking up Moped and Co8cknee. Twas then that we had time to stop concrete and install Roocha's and Cirlicolot's new letterbox before continuing our journey Norf.

Tis the season to be jolly and Christmas Carols were sung, tunes being lead by Dallas and Tight Lips with DH straining the vocal cords for his rendition of the 12 days of VB..... amongst plenty of Christmas cheer, with the cardboard box on the bus quickly filling with empty grog bots!! On on to Gawler and a wave and a cheer as the bus passed Full Stop on Main North Road. Full Stop standing eager on the side of the road, like a prostitute waiting for her next score or was it 'sweet pink pussy'!! This he'd downed several times later that night, go Full Stop we knew you had it in yah ole boy! Just having left the comforts of the Smithy pub he was waiting for the southern bus.....nowhere to be seen, maybe they had taken a "Pi8ss Stop" or were still waiting for Elf to pull those hot holden red stockings on up those short stumps he calls legs.

On the way home on the Northern bus..... Hash tunes were lead by Co*cknee, DH, Pi*ss Stop (aka Bus Stop), Muck and Icecan.....Jason and Dr DW lead us thru renditions of Rodney Rude and more.... Amidst all the revelry, tunes, laughter, drunken bums, flashing ti8ts.....Moped was rather quiet, was he being naughty or nice back there or just plainly full of copulas amounts of alcohol..... and Tight Lips slept!! Pulling up on Milne Road and another stop, DH gets out for a wiz, on trying to get back in the bus he performs a new gig, the "DH stagger", Note: Must check with Stinky, could be copyright violation in there somewhere?, ...and almost topples off the gutter, past the bus door and catches the mirror to regain his unsteady stance, alas no copyright needed, didn't seem his hit the deck or crack his nose in that gig! The DH stagger is all his own! At this point Moped having just relieved himself also, thought it was time for a gig....and bared his flabby fat furry butt once more, again, as usual.... and oh no, his man hood too! Flip flop, jingle jangle, gave Kaboobie a run for his stocking clad jellied friends. Shorts haplessly slouched around his ankles, he's doing his own gig and OMG, for all of Modbury North to see.....streaks across Milne Road, shorts still around his ankles..... guessing headed for home? Past the creek? We will assume he made it home with jocks on and his a8rse intake!!! All hashers home safely for some wild drunken se8x.....or fast asleep snoring like Angel, umm Angels. Top spot tis this Gawler!
