ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

With a number of the AH3 still recovering from the weekend celebration run in the Riverland, it was a small group that gathered at the park in Spring Hill. The hare enthusiastically sent the runners on their way, advising them to follow the “arras” and keep going straight if the ‘arras” had been washed away.

The pack was soon heading up the hill and around the houses where we hit the first check at the top of Spring Hill Drive. At this point Bigus checked down towards the Golden Way and did not return despite the best efforts of Elf to summon him with the Hash Horn. With trail being found straight ahead, the rest of the pack continued forward easily breaking the second as check as we headed down towards Martindale road. Strangely enough the “arras” now all appeared to be upside down. Some of the brighter amongst us decided that he must have been holding the can of flour the wrong way round!

As we hit Martindale Road we once again joined by Bigus at about the same point as the trail mysteriously ran out. After much speculation we determined that we were actually running the trail backwards. After rejecting the idea of heading back to find the forward trail we decided to continue to follow the trail backwards.

Instead of hitting checks and looking for trail we would lose trail and then try to find the check. Calls of “No No” were soon threading through the area as we crossed up into Greenwith making our way towards the BMX Track.

After passing through the new Housing area, we were soon making our way back towards Golden Grove, following the upside down “arras” and enthusiastically calling “No No”. With the benefit of Nifty’s local knowledge and the checking ability of Chesty, Bus Stop, Bigus and Elf, the upside down checks did little to slow down the pack.

Safely back at the trailer, we suggested to the hare that it had been a bl*oody long run (probably 1 hour 20 minutes). C*ocknee, however, that if we had done the run forwards instead of backwards it would have been much shorter!

With the spicy Beef Vindaloo festering in the pot, there was little do but enjoy the well earned beers from the trailer and enjoy the scenic surroundings. A short circle saw a few charges and the hare recognised for a pretty good run. After a short round of singing to entertain the locals, we settled down to enjoy a choice of mild and spicy vindaloo curry and rice. Most took the opportunity for seconds and thirds before departing for home
