REMEMBER TO BRING ALONG A PUSH BIKE AND BATHERS FOR THE BIATHLON RUN ON 22nd OF FEBUARY

HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. “GET IT COZ IT’S YOUR JOB”

ALSO, IF YOU HAVE A RUN CUMMING UP, DON’T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

What better way to start a run than from a virgin run site. With Stinky managing to get the Waterworld shut down to make way for his run, there was more than ample parking for the refurbished trailer and all the AH3 cars.

After warning that the chalk marks were probably smaller than sparrow s*hit, the hare proceeded to promise us an easy run, with no hills or false trails, and a p*iss stop at the tennis courts.

This enticing story managed to suck in nine starters, since Moped was a non-starter (or was he a silent co-hare?) and Muck had gone shopping for baby clothes at Tea Tree Plaza.

The promised check across Golden Grove Road was hardly visible and the front-runners were soon heading along the walking trails. A check at the footbridge was soon broken and we continued our way parallel with Kingfisher Drive in the direction of Golden Grove.

A check close to the Golden Grove Road brought the pack together as we awaited those with sharp eyes to locate the sparrow s*hit arrows. Threading our way through Redwood Park, we were now in familiar terrain, having passed through this area on a number of previous runs from Wankor's place.

A good check along the Milne Road saw the front running a*rseholes stranded a long loop that thankfully allowed the back runners, including Muck, to charge to the front of the pack, ensuring that they were amongst the first to arrive at the very welcome p*iss stop at the tennis courts.

Reflecting the planning that had obviously gone into this run, the walkers arrived just a few minutes later, after which the combined pack proceeded to follow the walking trails back to the trailer. With the new Temprite doing its job well, we all looked forward to a never-ending supply of ice cold Coopers. Unfortunately we would end up being disappointed yet again!

With the hare keen to get home to watch the Olympics, he took the optimistic approach of firing up the barbie before the circle commenced. With the likes of Muck, Moped and Dickhead full of charges, and the RA full of Alzheimers, it was inevitable that after a long circle, we would all be destined to feast on a never ending supply of charcoal flavoured sausages!

As we departed from Waterworld, there was little doubt that the hare had achieved his objective of setting a memorable run, which should more than likely receive suitable recognition in the future

A son asked his mother the following question:

'Mom, why are wedding dresses white?'

The mother looks at her son and replies:

'Son, this shows your friends and relatives that your bride is pure.'

The son thanks his Mom and goes off to double-check this with his father.

'Dad why are wedding dresses white?'

The father looks at his son in surprise and says:

'Son, all household appliances come in white.'

(They are still looking for dad !!)
