Don't Forget Torches for Next Week's Run

HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

With the run starting from a central location, the hare managed to attract a dozen runners as well as a similar number of walkers. After briefing the pack to look out for “planes, trains and automobiles”, we were quickly dispatched in the direction of Le Cornu and the first check outside their 36 months interest free car park.

After a few minutes checking, trail was found down past McDonalds, gradually taking us in the direction of Everard Park. Good checks with plenty of false trails ensured the pack were kept together, despite the efforts of the front running b*astards (one being on their 327th run, one with a bloody big flashlight, and one being towed by a ferocious spotted dog).

A brilliant check along Norman Terrace provided no less than NINE possibilities to find trail and about five of these were laced with false trails. After much checking and confusion, trail was eventually found along Aroha Terrace before turning towards Millswood and more cunning checks and falsies.

A really difficult check close to the Millswood sports area saw the group checking far and wide in all directions, before trail was eventually found across the railway line taking us in the direction of Goodwood Road. What was left of the pack regrouped at a Halt Check, close to the underpass.

Over a period of several minutes, the pack was once again regrouped, except for our fearless Trail master, who appeared to be our second MIA after Whiskas. What was left of the pack was looped across Goodwood Road for a meandering tour of Hyde Park before eventually returning to the run site via Leader St.

Front-runners were back at the trailer at 8.25pm, with the rest of the pack a few minutes later. All were well and truly ready for a hard-earned and much deserved beer!

Despite the calls to lynch the hares, there was general agreement that it had been a pretty good run with excellent checks and generous use of false trails. With everyone extremely hungry after such a long hard run, the RA was confident that for a change the circle would be shorter than the run! Surprisingly, this turned out to be the case, and we were soon devouring a gourmet feast of sausage stew and pasta.

Many thanks to the hares for a well set run and great evening.

NOSH OF THE NITE ----- Bikies and dips,, Sausage and Pasta

SONG----- My name is Jack

ON-ON-----**FULLSTOP**

A 54 year old woman had a heart attack and was taken to the hospital.

While on the operating table she had a near death experience.
Seeing God she asked "Is my time up?"

God said, "No, you have another 43 years, 2 months and 8 days to Live."

Upon recovery, the woman decided to stay in the hospital and have a Face-lift, liposuction, breast implants and a tummy tuck. She even had someone come in and change her hair colour and brighten her teeth! Since she had so much more time to live, she figured she might as well make the most of it.

After her last operation, she was released from the hospital. While crossing the street on her way home, she was killed by an ambulance.

Arriving in front of God, she demanded, "I thought you said I had Another 43 years? Why didn't you pull me from out of the path of the ambulance?"

(You'll love this)

God replied: "I didn't bl*oody recognize you."
