HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

Blah Blah Blah arras,Blah Blah Blah arras,with the formalities of the run directions interrupting a welcome back chat to Adelaide with Stump Jumper, the Hares sent the Hash off and running.

The pack of 9 were swiftly being lead through the streets of Stepney and surrounding suburbs by Gravel Rash & Chloe (with Gonfor in tow)

Being predominantly a street run, the astute Hares cleverly used the narrow streets and alleyways to their advantage and soon had the pack running several loops before having them head off in the direction of the River Torrens and the Linear Park pathways.

This worked very well for the back runners, enabling them to catch up to the FRB's who don't seem to know about holding the odd check or 2 up and therefore keeping the pack together.

While enjoying a pleasant jaunt along the Torrens,,joyus thoughts came flooding back to Nifty as we passed a Weir," I remember when we used to run across that" he was heard to say.Ahh the memories of the old Hash days.

Many other thoughts also came to mind as we continued on our journey (some being another story) and non more so that the Swinging Bridge.

Despite knowing it was up ahead,the FRB's,lead by Buddah decided to do the right thing by the Hares and follow trail which took them along the banks of the Torrens and UNDER the Swinging Bridge - SURPRISE! A false trail.

Not being the type to back track, Buddah and Muck soon found themselves clambering up the banks of the Linear Park pathways and be back on track, heading towards the Bridge where most of the clever back runners already had, or were in the process, of crossing the bridge,

With Bigus now leading the way, the numbers soon swelled to the magic dozen when Dave,Son of Mulva and Condom (late cummers) joined the pack.

Apparently they did some pretty crafty short cutting, courtesy of the aide of a very helpful couple who were out on their evening stroll.

Now back to the streets and with home and the Trailer not too far away, the run would not have been complete without at least 1 more loop.The Hares did not disappoint.

Again this worked well with the back runners catching up and arriving home not too far behind the leaders.

Overall a very good run with the Hares doing their best to keep the pack together
