HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

With a public holiday on the following day and everyone full of Australia Day spirit, we could have expected a good turnout for Elf and The Fat Controller's Australia Day Bash.

Despite threats of 11pm curfews, the AH3, reinforced by a mixture of v*irgins, returnees and visitors, gathered in force ready for a good hard run, and an even longer and harder drink. Amazingly, as we headed off to the first check, there were 13 runners following the chalk "arras" while the walkers followed at the rear having been instructed to follow the running trail until they had had enough.

With so many runners the first check did not take long to break, and we were soon threading down through Para Hills in the direction of Bridge Road. While the false trails kept the front-runners in check, the back runners kept a close eye on Elf, hoping for a chance to shave off a few hundred metres here or there.

After passing through the bush trails of Para Hills West, the trailed crossed the ovals of the Para Hills Sports Club and there was strong speculation that a p*iss stop at the Sports Club would be on. As the trail continued well away from the entrance, however, the p*iss stop looked highly unlikely. We were more than relieved then, when we spied The Fat Controller with a couple of jugs of beer on the roof of his car in the distant corner of the car park.

The most welcome p*iss stop brought the pack together once again and allowed the runners to determine their strategies for getting back to the trailer. With the front runners doing battle with the hills of Kesters Road, the back runners managed to minimise the climb by cutting through some of the side streets to Nelsons Road and back to the trailer.

Most of the runners were back in about an hour, while most of the walkers came back a while later. Surprisingly, five of the walkers were lost on the run, having become severely disoriented and losing trail in the area of the Somerset Hotel. Suffering from extreme dehydration, these five a*rseholes were given appropriate medication upon their eventual arrival at the circle.

With the AH3 in a celebration mood, and many of the members armed with evidence to support an extensive list of charges, there was definitely and absolutely no f*ucking chance of a short circle on this occasion. Sensibly, the hares took decisive action and sensibly turned down the gas on the barbecue and relaxed the curfew until 11am the next morning!

Many thanks to the hares for another memorable Australia Day Run
