HARES ARE NEEDED FOR RUNS SEE MUCK

ATTENTION ALL HARES

IT IS YOUR DUTY TO GET GINGER BEER & ICE, REMEMBER THAT HARES MOST IMPORTANT PLEASE. "GET IT COZ IT'S YOUR JOB"

ALSO, IF YOU HAVE A RUN CUMMING UP, DON'T FORGET TO MAKE ARRANGEMENTS TO COLLECT THE TRAILER FROM THE PREVIOUS RUN SITE. IF SOMEONE ELSE IS TOWING THE TRAILER FOR YOU, IT WOULD BE A GOOD GESTURE TO THROW THEM A SIX PACK

After a long weekend, there was some speculation that Hungry would go easy on us. This speculation, however, turned out to be totally unfounded, as the hare proceeded to challenge not only the running group, but the walking group as well.

After briefing the group on the numerous hazards, the pack of 8 runners was quickly despatched across the railway bridge, for what would be a long challenging run along the local walking trails. Having set the run during heavy rain, the hare utilised masking tape to appropriately mark the trails, checks and falsies. After solving the first couple of checks the pack was pretty confident that they would soon be home enjoying the beer, little did they know!

Spoof, however, hung on to his torchlight, having had first hand experience of this not so innocent hare before.

The third check saw Nifty stride to the front of the pack, only to discover that he was leading the way on what turned out to be a bloody cunning false trail.

With Nifty stranded way below, the real trail was found by Muck in the opposite direction. Nifty was not seen again until 10 minutes later, when he eventually caught up with the pack at another tricky check just below the dam.

With trail eventually found along a narrow climbing trail, we were treated to a never ending climb before eventually coming out at the old folk's home. After checking through the gardens we eventually found trail taking us back to Shepherd's Hill Road and a long uphill climb back to the trailer.

Front-runners were back in about 1 hour 20 minutes, and, after abusing the arsehole of a hare, were soon enjoying ice cold Coopers from the trailer. Seeing the runners and walkers back, the unrepentant hare immediately proceeded to fire up the barbecue despite the threat of an extremely long circle due to the number of charges to be brought against the hare.

Despite the threats, however, the circle was relatively short, mostly due to the combined effects of the long run, cold weather, extreme hunger, and the aroma of bacon and onions wafting across the circle. Although the hare faced an extensive list of charges, there was general agreement that it had been a bloody good run, making good use of a great running area. Thanks Hungry for a memorable run!

ON-ON Full Stop

A man walks into a bar, notices a very large jar on the counter and sees that it's filled to the brim with \$10 notes. He guesses there must be at least 10 thousand dollars in it.

He approaches the bartender and asks, "What's with the money in the jar?" "Well... you pay \$10 and if you pass three tests, you get all the money in the jar and the keys to a brand new Mercedes."

The man certainly isn't going to pass this up, so he asks, "What are the three tests?" "You gotta pay first," says the bartender, "Those are the rules". So, after thinking it over a while, the man gives the bartender \$10, which he stuffs, into the jar. "Okay," says the bartender, "Here's what you need to do: First - You have to drink a whole quart of tequila, in 60 seconds or less, and you can't make a face while doing it." "Second - There's a pit bull chained in the back with a bad tooth. You have to remove that tooth with your bare hands." "Third - There's a 90-year-old lady upstairs who's never had sex. You have to take care of that problem."

The man is stunned! "I know I paid my \$10 -- but I'm not an idiot! I won't do it! You'd have to be nuts to drink a quart of tequila and then do all those other things!" "Your call," says the bartender, "But, your money stays where it is."

As time goes on, the man has a few more drinks and finally says, "Where's the damn tequila?" He grabs the bottle with both hands and drinks it as fast as he can. Tears stream down both cheeks -- but he doesn't make a face -- and he drinks it in 58 seconds! Next, he staggers out the back door where he sees the pit bull chained to a pole. Soon, the people inside the bar hear loud growling, screaming and sounds of a terrible fight -- then nothing but silence! Just when they think that the man surely must be dead, he staggers back into the bar. His clothes are ripped to shreds and he's bleeding from bites and gashes all over his body. He drunkenly says, "Now... where's that old woman with the bad tooth?"
