1783 17th May Payneham Community Centre 27 Runners

Well well well what a coincidence, Australia gets knocked off in the final of the men's 20/20 Cricket World Cup and what do we get out to Hash,yep, you guessed it, 2 Pommy visitors.

Thank God our girls stood up and showed that they had bigger balls than their male counterparts by thrashing the Kiwis in their final.

Heavun forbud uff we had sum Kiwis turn up for the night,the 1 we have already is bad enough, what do you reckon Muck?

Once everyone had signed on and Mr. Sloppy & Victoria (Secrets) were made welcome, the Hares for the night,who briefly had the packs undivided attention,gave their usual BOS before sending the pack off into the night.

Setting off out across the car park and towards Portrush Rd, the 9 runners soon found themselves heading back along Johns Rd and past Payneham Oval.

At the 1st 2 checks and in what appeared to be a deep dicussion,our 2 visitors seemed to be trying to familiarise themselves in the way that we at AH3 set out our trail.Having any queries that they had answered, it wasn't too long before they were up at the front of the pack keeping Bigus company.

The pack soon found themselves running past the Cemetery on Ashbrook Ave,the final resting place of one of our recently departed Hashmen,Wet Dreams.

"On On Wet Dreams" a couple of Hashmen were heard to say on passing by.

From here trail wound it's way through the backstreets and through a reserve before reaching Glynburn Rd.

When the pack regrouped, it was noticed that Bigus and Condom were missing.

Heading towards home the pack arrived at a check,and were soon reunited with Condom

Running away from the check and in the direction that the pack had just come from,Condom, for some reason, thought that he would check back - wrong.

Buddha, who found trail 5 feet from the check, seemed to take pleasure in calling Condom back on trail, as he and the pack continued on their way.

Nearing home, some of the checks had been crossed out and with an arrow pointing in 1 direction, seemed a bit odd. Searching further on,all was revealed.Bigus, who became lost from the pack earlier, was found, standing on the corner next to a stobie pole.I wonder if he was trying to drum up some business.Finding every falsie available on the home trail, Bigus thought he best do the right thing and point the pack in the right direction so as no to keep them away from the trailer any longer than they needed to be.

Because of this the pack soon found themselves back at the trusty trailer dining on some nibbles and enjoying a nice cold beer/wine/softie

Overall - any run,though not difficult,that can confuse Condom is a good run,well done Hares

With our RA still out of town,RA duties tonight were carried out by the birthday boy Chesty - just 1 question Chesty

Is there any truth that guy that said he was from the "Gun Club" and who you gave a Down Down, had in fact just left an AA meeting that was being held in the hall.

Roses & Hanging Baskets

A teenage granddaughter comes downstairs for her date with this see-through blouse on and no bra. Her grandmother just pitched a fit, telling her not to dare go out like that! The teenager tells her "Loosen up Grams. These are modern times. You gotta let your rose buds show!" and out she goes. The next day the teenager comes down stairs, and the grandmother is sitting there with no top on. The teenager wants to die. She explains to her grandmother that she has friends coming over and that it is just not appropriate... The grandmother says, "Loosen up, Sweetie. If you can show off your rose buds, then I can display my hanging baskets
