Run 1788 AGPU – Directors Hotel Adelaide

53 Runners

With the evening looking cold and only 4 RSVP's the evening started a little slow.... What time is the run again?? As the numbers started to increase by faces unknown, the visitors were a little upset that the bar was still closed until Roocha was heard yelling "Open the bar... its AGPU!!"

There was a faint sound of a horn rounding the runners. Dr Dicwod was given instructions by the Hares to set the runners off at 7pm if they were not back from setting a short live run...as it was AGPU which meant less running, more drinking.

As the runners headed for the first check, they ran past the local ladies of the area and got found themselves a little lost, but not to be out done, they ended up finding some trail as they ran through Chinatown and the bus terminal with the trail changing from chalk to flour. As they headed down to the local red light area of Hindley St and the back up through West Tce cemetery on their way home. Not one bloody drink stop and plenty of pubs were past!!!

As the Hares arrived back for a well deserved drink..... The runners followed not long after with the sound the of the horn blowing loudly in the distant as Hash Horn knew the end was in sight. The runners had even picked up a few new recruits along the way. Well done boys!!

With the promise of a short circle, yet again, as this was his last circle, RA welcomed all 53 Runners to the AH3 1788 run – AGPU.

RAFFLE WINNERS

- **Chesty**
- **Cirlicolot**
- **Genitalia**

Special mention for Cirlicolot who claimed her prize with blood streaming out of her eye from the gash she received in running up the stairs to claim her prize.

Circle was interrupted again for the night's second stripper.

There was some comments from the circle that the second act was more like the Uncle Fester Show.

So what was the Uncle Fester show:

- **Barred up with such excitement, he was quietly warned it was hands off!!!**
- **But he was treated to a nice t*it f*uck**
- **The he was slowly undressed by the stripper.... Firstly the shirt, then his jeans....But RA your right, he is an ugly b*astard..... a fat ugly b*astard at that.... Not a pretty sight....not even for the girls!!**
- **Then he was slapped on the a*rse with the stripper's belt**
- **The show went on and on.... With Uncle Fester loving the attention the young stripper was paying him**
- **Out came the baby oil... and the stripper placed her leg on Uncle Festers face....**
- **Chesty then jumped up on stage to help him out and licked the stripper's t*its**
- **Some strategically placed marshmallows were eaten by Uncle Fester to finish the show**

Again the RA apologised for the break in Circle, but he wanted to finish the circle very quickly, as Nosh was burning in the background.

The committee then fronted for their last charge of the year and then welcomed and charged the new committee.
